Ashrafi Tarana: Ashrafi Anthem

In the Blessed Court of Ghauthul Alam Mahboob e Yazdani Makhdoom Sultan Syed Ashraf Jahangir Simnani, (May Allah be Pleased With Him), the following is the "Istigatha" [Petition for Spiritual Assistance & also Composed by] of our Master Muhaddith-e-A'azam Syed Muhammad Ashraf Al Jilani Kichhauchhawi (Alaihirrahmah), famously known as the "Ashrafi Tarana." Brethren of Tariqat are advised to include this in their daily recitals for "Hall-e-Mushkilat" [solving of difficulties]. It is "Azmawdah" [practiced and found to be highly successful]

Sarwara Shaha Karima Dastagira Ashrafa
Hurmate Ruhe Paiyambar Yek Nazar Kun Suye Maa
O Master, O Prince, O Munificent O Helper O Ashraf!
In honour of the Prophet's soul mercy our direction be,

Ay Shahe Simnaa ne Gause Alamo Peer-e-Huda
Saheebe Fazalo Ata Sar Chashma-e-eJudo Sakha
O Prince of Simnan; helper of the world and spiritual guide,
Embodiment of grace & kindness fountain of generosity & smiles,

Tere Dar par Tera Mangta Dashta Basta Hai Khada
Laaj Rakhle Mere Daata Mere Khali Haath Ka
At thy court humbly stands thy mendicant with folded hands,
Guard my honour my bestower of my empty hands,

Sarwara Shaha Karima Dastagira Ashrafa
Hurmate Ruhe Paiyambar Yek Nazar Kun Suye Maa
O Master, O Prince, O Munificent O Helper O Ashraf!
In honour of the Prophet's soul mercy our direction be,

Qubba Ye Baida falak Riffat Hai Aur Mehrab-o-Maah
Dekhte Hai Topiya Thame Sabhi Mohtaj-o-Shah
Dome of white elating the skyline is and the niche and moon,
Beholding this heads covered are the indigent and affluent ones,

Astana Kasare Jannat Se Fuzool Rakhta Hai Jaa
Aa Dikha De Jalwa-e-Zaiba Bhi Ab Behare Ila
Shrine than Heaven's palace splendour more reserves,
Yes reveal thu manifestation eleaant the sake of Allah too.

Sarwara Shaha Karima Dastagira Ashrafa
Hurmate Ruhe Paiyambar Yek Nazar Kun Suye Maa
O Master, O Prince, O Munificent O Helper O Ashraf!
In honour of the Prophet's soul mercy our direction be,

Shahre Yaare Auliya Ay Sahibe Ezz o Waqar
Ay Gule Baghe Wilayat Dono Aalam Ki Bahar
Sovereign of Awliya' O Persona of dignity and prestige,
O Rose of the garden of Awliya spring of worlds both,

Hoon Khazane Ghum Ke Hathon Aaj Kal Zaar-o-Nazaar
Teri Chaukat Par Khada Hun Hath Bhandhe Ashk Baar
In hands of autumns misery am weeping bitterly these days,
At thy court am standing hands folded shedding tears,

Sarwara Shaha Karima Dastagira Ashrafa
Hurmate Ruhe Paiyambar Yek Nazar Kun Suye Maa
O Master, O Prince, O Munificent O Helper O Ashraf!
In honour of the Prophet's soul mercy our direction be,

Ek Tarika e Per Nahi Raheta Kabhi Duniya Ka Haal
Har Kamale Ra Zawalo Har zawalo Raa Kamal
Remain does not upon one way the condition of the world,
Every peak endures decline and decline every peak endures,

Kat Gayi furqat ki Raatein Ab To Ho Roorze Wisaal
Haan nikal ay Aftabe Husn Ay Mehro Jamaal
Ceased are nights of separation now the force of union be,
Yes appear O Sun of Beauty O Alluring Sun!

Sarwara Shaha Karima Dastagira Ashrafa
Hurmate Ruhe Paiyambar Yek Nazar Kun Suye Maa
O Master, O Prince, O Munificent O Helper O Ashraf!
In honour of the Prophet's soul mercy our direction be,

Aa Gayi Hain Ab Adaawat par Bahut Ahle Zaman
Ek Main Houn Natawaan aur Lakh Hai Ranjo Mahan
Gathered upon enmity have now many folks present,
I alone am weak & thousands hundred distressed & troubled,

Syed e Muhtaaj Ki Sunlo Baraa-e-Panjatan
Bol Bala Ho tera Abaad Teri Anjuman
Heed to helpless Sayyad for sake of the'Blessed Five',
May thy name prosper thy assembly populous thrive,

Sarwara Shaha Karima Dastagira Ashrafa
Hurmate Ruhe Paiyambar Yek Nazar Kun Suye Maa
O Master, O Prince, O Munificent O Helper O Ashraf!
In honour of the Prophet's soul mercy our direction be,

Mujahid e Islam Syed Alamgir Ashraf

Ashrafi Al Jilani Kichhachhawi (Hafizahullah)

Nestled in the placid township in northern Nagpur (India), where Hindus and Muslims peaceably coexist to the eternal rhythms of a bustling life, students wrapped in shawls against the winter chill and wearing crocheted skull caps sit cross-legged, as they rock back and forth reciting verses from Qurans resting on low wooden bookstands. Every waking hour of the day is geared to a learning called Tahfeez (learning the Quran by heart). A Muslim who has memorised all 6,236 verses of the Quran earns the right to be called a Hafiz. In the same campus students are hunched before computers in classrooms, learning vocational courses .They are preparing for very different futures.

International Sunni Centre and Mahboobul Ulama Academy International, established in 2014, is a secular seminary which combines religious and secular education with a mission to that combines theological and modern education to produce graduates who, apart from qualifying as religious teachers, can strengthen their employability outside of the religious sector. It is comitted to promoting understanding of different aspects of Islamic thought and practice.

It was founded by Mujahid-e-Islam Hadhrat Maulana Syed Alamgir Ashraf Ashrafi Al Jilani, of the Ashrafiyah Silsila (spiritual order). He symbolizes the spirit of his great forefather Ghauthul Aalam Mahboob e Yazdani Makhdoom Hadhrat Syed Ashraf Jahangir Simnani who had once said: "I am the Jahangeer as well as the Jangeer".

The Sunni Centre is the culmination of a long stream of spiritual currents set in motion in 606 Hijri (Islamic calendar) by Ghauthul Aalm Mahboob e Yazdani Syed Auhaddin Makhdoom Syed Ashraf Jahangir Simnani Al Samani. He trackked from Iran to India to sow his mission in a barren spiritual soil. He remained unmarried. To ensure the continuity of the spiritual tradition and lineage, he adopted his nephew who was later christened Hazrat Syed Shaikh Abdur Razzaaque Noorul Ain Al Hasani Al Hussaini .He later became the first Khalifa and spiritual heir. This is why the order is known as Ashrafiya.

The Ashafiya mystics, like all Sufis, believe that the heart is the most important centre governing our spiritual consciousness. With diligent practice, they have perfected techniques that activate the heart, cultivating profound intuition and realization. The polished heart becomes a mirror that catches the light of truth and reflects it in one's consciousness.

In 1999 he traveled to Nagpur and settled down in the city. He set up a Madarsa Jamia Rashidia Tanvirul Islam at Habib Nagar Teka with 150 students.

Two years later he became Darul Uloom Shaikhul Islam at Ashraful Masaajid Makhdoom Ashraf Chowk. He later established a Madrasa at Lashkari Bagh.

The Centre has Darul Ifta Wal Qaza which issues fatwas.The Centre also provides spiritual healing .The other institutions run by the centre include Ashrafi Khanqah and Jamiah Qariah Syed Mahboob Ashraf.

Maulana has toured Mauritius, South Africa, Dubai, Lasotho, Swaziland, Mozambique, and Nepal for preaching Islam's message.

International Sunni Centre, Nagpur has launched a series of skills-based and hands-on learning programmes for impoverished communities in northern Nagpur. These include training in Web designing, Sewing Embroidery, Plumbing, Woodwork, Design and technology, Art and Graphics, MS-CIT, Video & Photo Editing, Accounting, Computer proficiency, Martial Art, and English language skills. Interventions at the Centre are focused on improving the quality of teaching and learning through integration of technology and activity-based approaches.

The Centre is also trying to meet the social needs of the community by providing a variety of resources and services that include Nikah Services, Sister's Ijtima, Spiritual healing Clinic, Funeral Services, Job placements, Matrimonial Bureau and Ambulance support. It is also undertaking informational campaigns for building awareness among marginalized communities about their entitlements and promoting citizenship skills. The Centre has trained scholars for issuing fatwas (legal opinion on a point of Islamic law). Maulana Ashraf's enterprise is a symbol of concerted efforts to make madrasas a medium of wholesome and premium education and increase the resilience of the community.

Since the students are schooled in classical and modern science as well as secular and religious thought, they tend to be more connected to their own communities as well as to the mainstream society.This gives them a stable sense of identity, religious and otherwise, and shields them against radicalism. Madrasas, like the Sunni Centre, are thus allies in society's fight against extremism.
